**BUILD A BETTER WORLD
FOR WOMEN AND GIRLS**

What is Zonta?

Zonta International is a global organization of professionals who work to improve the legal, political, economic, health, and professional status of women worldwide

Acting Locally, Acting Globally

The Zonta Club of Concord takes on numerous local projects that support women and girls, offers a multitude of scholarships, advocates for policies that promote equality, and hosts a variety of fundraising ventures to support our work.

Zonta International addresses the pressing issues affecting women, and also the challenges to women's equality in science, business, public affairs and government.

As a non-governmental organization (NGO), Zonta maintains consultative status with various United Nations agencies. Zonta's efforts focus on preventing violence against women and children and victims, or potential victims of human trafficking around the globe.
